## Lesage's Specific,

NEVER failing remedy for  
 thoroughly destroying the cause  
 of the Urinary Tricams such as  
 Gonorrhea, Gleet, Syphilis,  
 Stricture, Blennorrhoea, etc.,  
 and many other diseases. It  
 has been used by the military  
 and is recommended by the  
 highest medical authorities.  
 The proprietor would  
 respectfully caution those who  
 deal with the above ailments to  
 be careful to beware of cheap  
 every-thing, which may injure the patient, unless  
 the slightest knowledge of the structure of the  
 human system be possessed. Lesage's  
 Specific is just intended for the cure of Urinary  
 Diseases and the thousands that have sent me  
 uncounted certificates such as I enclose, will

lar it. How different from the various quick methods which when the unhappy patient has been used, no intelligent can ever believe in the remedy's dependence on every class, the amateur, the lawyer, the mechanic, the woman and the dashing officer have all tried it and found it truly the good Samaritan of medicine and trouble.

The Dabbly annexes extracts from some of his certificates:

I, S. B. Stegale Cumberland, 1851 Contractor  
for Capt. Taylor and filed this remedy recommended by the most experienced Surgeons military success. Lesauze's specific has restored me to my health I thought deserving of a J. W. N.

Lesauze's Specific has cured me of a disease in sixteen days. I am now as well as in former times and that Lesauze's Specific has cured me of a disease in 22 months duration.—H. C. D.

Bugwood Me—After having taken your medicine found my cure. I was suffering from gonorrhea and you shall not fail to recommend us should I know of any troubled at home.—John Brown
